

AI Puzzle Activity Book

A 15x15 crossword puzzle grid. The grid consists of white squares for letters and black squares for obstacles. The starting square 'S' is located at the top-left corner (row 1, column 1). The ending square 'E' is located at the bottom-right corner (row 15, column 15). The black squares are arranged in a complex, non-linear pattern that creates a maze-like structure for the path.

Answers

A 15x15 crossword puzzle grid. The grid is composed of white squares for letters and black squares for empty space. The letter 'S' is in the top-left white square, and 'E' is in the bottom-right white square. The grid is symmetrical, with black squares forming a complex pattern.
